## Pengalaman

### HIMTI BINUS University

10 bulan

#### Activist Of Responsi Division

Maret 2022 - Present (10 bulan)

HIMTI or commonly called the Informatics Engineering Student Association of Bina Nusantara University is an association or a student organization of Bina Nusantara University students. In HIMTI there are 3 divisions namely Education, Relationship Expansion and Research and Development. At HIMTI I joined division 1 namely Education Division. In Education division, there are 2 types, namely Responsi Division and Programming Class Division. In this Responsi division, I am responsible for creating a kind of additional class for UTS or UAS. The aim is to revise as well as summarize lecture materials that will later come out at UTS and UAS.

### Video Tutor Web Programming 2022

Oktober 2022 - November 2022 (2 bulan)

I make some video tutor for Web Programming Course about Laravel 8 Controller. In video, I explain the definition of the controller and also demonstrate how to use it in laravel 8.
